

Edinburgh, 20<sup>th</sup> October 2023

Dear ELFA Members and Friends,

As previously announced the next Annual General Meeting and Conference of the Association will take place at **Edinburgh Law School** (Scotland, UK) from 17-19 April 2024. The overall theme of the conference is ***The Future of Global Legal Education***. The ELFA Board is confident that this theme will be of great interest to all members.

The ELFA Board will be pleased to receive proposals for short contributions on the conference's theme from ELFA members, for in-person presentation and discussion during the conference. Proposals should be sent by email to [elfa.agm@gmail.com](mailto:elfa.agm@gmail.com) **by Monday 20th November 2023**. The Board will consider and evaluate all proposals received at the next Board meeting in late November, taking into account the framework and possibilities of the conference.

Please find attached the schedule of events, including preliminary timings and venues. A detailed programme will be circulated early in the new year.

Bearing in mind that April is a busy time in Edinburgh, we strongly recommend that attendees book their accommodation well in advance. Please find attached a list of accommodation possibilities.

Registration for the conference is already open and we kindly request that attendees register before **31st January 2024**. Attached to this message is the **registration form**. Please complete and send to [elfa.agm@gmail.com](mailto:elfa.agm@gmail.com).

It is crucial for organisational purposes that registration is completed by **31st January 2024** at the latest.

The ELFA Board and I are very much looking forward to welcoming you to Edinburgh in April 2024!

Yours sincerely,

***Professor Verónica Ruiz Abou-Nigm***

President of ELFA

***The ELFA Board of Directors***
